

The BACCHUS Network 2009

SILENT AUCTION

Donate Gifts and Prizes to the 2009 Silent Auction

Last year we raised over \$13,600 for The BACCHUS Network! This year we will again host a Silent Auction to raise funds to support The BACCHUS Network a nonprofit organization. Help us reach our goal of \$15,000 in donations for the 2009 event!

How can I help?

- **Donate an Auction Item** - We are looking for items that participants at General Assembly can bid upon.
- **Purchase an Auction Item** - Bring cash or credit to bid upon the items donated at this year's General Assembly.

The BACCHUS Network began as an alcohol abuse prevention and awareness program over 34 years ago. Since that time, BACCHUS has expanded its mission to include many of the issues that college students face everyday, including impaired driving, tobacco, and sexual responsibility.

Today there are more than 32,000 student leaders, advisors and volunteers impacting more than 8 million peers through educational seminars and campus wide awareness events on over 1,000 college campuses nationwide. As a network, we are proud of our history and celebrate our success by promoting healthy lifestyles, learning the most recent research in order to provide the best programs possible and serving as leaders on our college campuses across the nation.

As a 501 (C)(3) nonprofit organization, The BACCHUS Network creates valuable materials and provides support to assist affiliates in addressing the needs of their respective campuses. We anticipate that our network will continue to grow and we want to be able to continue to provide up to date information and tools for the affiliates.

Your donated item or service will not only help to make this a successful fundraiser, but will benefit our entire Network. Please support The BACCHUS Network Today!

A letter containing all of the pertinent information, including our Tax ID number will be issued to you upon receipt of your donated item or service. You are responsible for determining the value of your donated item. Per IRS guidelines, however, you are not allowed to deduct the value of donated time or services. You can deduct any hard costs associated with the service (e.g. a speaker may not deduct the hourly rate for speaking, but may deduct any materials purchased used during the presentation). Thank you for supporting The BACCHUS Network!

Please contact Chris Miller directly if you would like to donate an item for the 2009 silent auction.
